Born & raised here in Englewood, I take pride in & am committed to keeping our town looking & feeling like paradise. For several years I worked for Lewis Tree clearing local powerlines. It was in 2017 I decided to branch out on my own & started Mathews Tree Service. I am very grateful to be a part of such a supportive community. Our clients are the reason my business is thriving!

We specialize in large hazardous tree & limb removals, lot clearing & landscaping. In 2018 I became accredited with the Better Business Bureau & in 2019 we received the Best of Englewood award. If you're looking to improve the look of your property, raise the resale value of your home or just get your shrubs & trees trimmed, my company is dedicated to quality & customer satisfaction.

As a certified member of the ISA, as I further my education & take my company to new heights with our professional services & quality customer care, I'd like to thank you again Englewood, Rotonda, Cape Haze, South Gulf Cove, Boca Grande & surrounding cities for all your continued business!
